

U.S. Department of the Interior
United States Geological Survey
Base scanned from U.S. Geological
Survey Bay Region topographic
sheet, scale 1:25,000, 1970
edition, U.S. 1997, USGS 519 97-500
Universal Transverse Mercator
projection, Zone 10

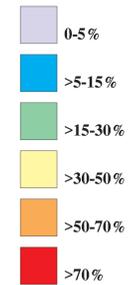

This map is a plot derived from
data contained in the digital database
"Open File Report 98-766: Slope maps of
the San Francisco Bay Region: A digital
database." The Open File Report does
not contain a paper copy of this map.
The Open File Report consists of the
digital data and a pamphlet explaining
the database and indicating how to
obtain the data from which this map
was prepared.

This report is preliminary and has not
been reviewed for conformity with U.S.
Geological Survey national standards
or with the North American Stratigraphic
Code. Any use of trade names or
firm names is for descriptive purposes
only and does not imply endorsement by
the U.S. Government.

This database, identified as "Slope maps
of the San Francisco Bay Region: A
digital database," has been approved for
release and publication by the Director
of the USGS. Although this database has
been subjected to rigorous review and is
substantially complete, the USGS reserves
the right to revise the data pursuant to
further analysis and review.
Further review is required on condition
that neither the USGS nor the United
States Government may be held liable for
any damages resulting from its authorized
or unauthorized use.
