United States Geological Survey  
Base scanned from U.S. Geological Survey San Francisco Topographic Sheet, scale 1:25,000, 1970 edition, U.S. GPO, WASHINGTON, D.C. 20540  
Universal Transverse Mercator projection, Zone 10

This map is a plot derived from data contained in the digital database Open-File Report 98-766, "Slope maps of the San Francisco Bay Region: A digital database." The Open-File Report does not contain a paper copy of this map. The Open-File Report consists of the digital data and a pamphlet explaining the database and indicating how to obtain the data from which this map was prepared.

This report is preliminary and has not been reviewed for conformity with U.S. Geological Survey editorial standards or with the North American Stratigraphic Code. Any use of trade, product, or firm names is for descriptive purposes only and does not imply endorsement by the U.S. Government.  
This database, identified as "Slope maps of the San Francisco Bay Region: A digital database," has been approved for release and publication by the Director of the USGS. Although this database has been subjected to rigorous review and is substantially complete, the USGS reserves the right to review the data submitted to further analyze and revise. Furthermore, it is released on condition that neither the USGS nor the United States Government may be held liable for any damages resulting from its authorized or unauthorized use.

## SLOPE MAP OF SANTA CLARA COUNTY, CALIFORNIA: A DIGITAL DATABASE
