the U.S. Government.  
This database identified as "Slope  
maps of the San Francisco Bay Region: A  
Digital Database" has been approved for  
release and publication by the Director  
of the USGS.  
Although this database has been subjected  
to rigorous review and is substantially  
complete, the USGS reserves the right  
to revise the data pursuant to further  
analysis and review.  
Furthermore, it is released on condition  
that neither the USGS nor the United  
States Government may be held liable for  
any damages resulting from its authorized  
or unauthorized use.
