projection, Zone 10
This map is a plot derived from
data contained in the digital database
Open-File Report 97-745F, "San Francisco
Bay Region Landslide Folio". A rasterized
image of this map is included in
the Open-File Report. The Open-File
Report does not contain a paper copy of
this map. The Open-File Report consists
of the digital data and a pamphlet
explaining the database and indicating
how to obtain the data from which this map
was prepared as well as the PostScript
image of the map.

This report is preliminary and has not
been reviewed for conformity with U.S.
Geological Survey editorial standards
or with the North American Datum 1983
Code. Any use of trade, product, or
firm names is for descriptive purposes
only and does not imply endorsement by
the U.S. Government.
This database, identified as "San
Francisco Bay Region Landslide Folio",
has been approved for release and
publication by the Director of the USGS.
Although this database has been subjected
to rigorous review, and is substantially
complete, the USGS reserves the right
to revise the data pursuant to further
analysis and review.
Furthermore, it is released on condition
that neither the USGS nor the United
States Government may be held liable for
any damages resulting from its authorized
or unauthorized use.

SAN FRANCISCO BAY REGION - 6 Hour Rainfall Threshold
